## October 4, 2019

## This Week in ELA:

We looked closely at letters Ss and Mm. Our "Sizzling Sausages alphabet card" and "Muzzy the Monkey alphabet card" will help us remember these sounds. We focused on the sight words "see" and "I". We read, acted out, and illustrated the poem Twinkle, Twinkle, Little Star. In independent reading, we continued practicing reading storybook favorites. We know that storybook readers can tell the story as they turn the pages AND they can find some words they know on the pages, even if they book is too difficult to read every word. During writing workshop, we worked really hard at planning what will be in our books, and using our alphabet sound cards to help us stretch and write words.

## This Week in Math:

We practiced writing and counting numbers through 9. We counted objects in lots of different formations (rows, circular, scattered) and wrote the matching numerals. We learned that a counting path helps us remember the order/direction we count in.

## This Week in Science:

We learned about apples. We learned that apples grow on trees in orchards and they are harvested in the fall. We read about various ways to enjoy apples such as apple cider, apple pie and applesauce. We examined the various parts of an apple such as the core, skin, flesh, and seeds. After examining, we even enjoyed a little taste of an apple. Mmmmm.

## Important dates:

10/16 Field Trip to Sesqui State Park 10/21-10/25 Book Fair Week 10/24 NASA night
10/28 Red Ribbon Week (More info soon)

## Reminders/Announcements:

- Please check your child's daily folder Monday through Friday. Please sign each day in the appropriate box!
- Please send in the library book your child checked out. We will visit the library every Monday or Tuesday to check out something new.
- Please send in the field trip permission form signed with payment attached for Sesquicentennial State Park. Make sure to fill out both the front and back of the form.

Each week, teachers will pick a student who has done a great job being a "bucket filler," or a kind friend. This week, our bucket fillers are:

Boone Fleniken and Tyler Watts
