

# 100<sup>th</sup> Day!

Dear Parents,

The 100<sup>th</sup> day of school is **Friday, February 5th** - wow! For part of our celebration, your child is welcome to complete a **100<sup>th</sup> Day Project** to share in class that day. If you and your child would like to participate, it shouldn't be anything too time consuming- just a collection of 100 items put together in some way. Examples in the past have included macaroni noodles, pennies, straws, etc. We don't want this to be expensive or burdensome! Keep in mind that this is not a mandatory assignment. 😊

Thanks!

Mrs. McKenna
