This Week in ELA:

We practiced recognizing, identifying sounds for, and writing letters Oo, Pp, Qq, Rr, Ss, and Tt! We read, acted out, and illustrated A-hunting We Will Go. Our sight words this week were see and go. We learned how readers connect information while they read with the words, "and then". In writing workshop, we continued drawing pictures to tell a story. We learned about labeling our pictures with words. We use an imaginary rubber band to stretch our words and listen for any sounds. When we think we hear one, we write a letter to go with it.

This Week in Math:

We practiced our first number sentences within 3. We solved problems like: There were three bears. Two bears are in the field and one is in the water. We learned to recognize this problem as 2+1. We know that 2 and 1 are the "hidden partners" of 3.

This Week in Science:

We dove into our five senses unit! This week, we specifically researched our senses of sight, hearing, and smell. We made connections by talking about things we like to see, hear, and smell. We also learned how our senses not only help us to enjoy the world but help us when a situation could be dangerous (smelling smoke, tasting sour milk, etc.).

Reminders:

- The school day starts promptly at 8:00. Please have your student here on time to set the tone for a great day! ©
- Please sign your child out no later than 2:15 if you are picking up early for any reason.
- Please check your child's daily folder Monday through Friday. Note the "keep at home" side and the "return to school" side. Yellow Family Folders go home Friday and come back to school on Monday.

📜 Home Talk:

Go on a five senses walk in the neighborhood. Talk about what things you saw, heard, smelled, and touched. (You may or may not taste \odot .)

Each week, teachers will pick a student who has done a great job being a "bucket filler," or a kind friend. This week, our bucket fillers are:

Sawyer Peebles and Harper Allen
