

## After School Programs for Second Semester

We are excited to be able to offer several after school opportunities for the second semester. Below you will find a table with the classes, web address, cost, and the day of the week the class will be offered. Classes will be held from approximately 3:00 - 4:00. If there are slight differences, that information will be on the registration form. If you are interested in having your child participate in any of the programs that we will be offering, please email Marian Scullion ([mscullio@richland2.org](mailto:mscullio@richland2.org)) and she will add your name to the list. We would like to get an idea of whether there will be enough students for us to host a particular program.

Most programs need at least six students in order to hold a class.

Class Each is linked to the website	Cost	Day Offered
<a href="#">Soccer Shots</a> K-2 Only	\$15 registration fee \$10 per <u>week</u>	Monday
Musical Storytelling and Cup Tapping with Tracy Davenport <a href="#">Davenport Music Studio</a>	\$20 registration \$45.00 per month	Tuesday
