This Week in ELA:

This week in reading, we practiced and recognizing and writing letters Aa-Cc. We read and illustrated the poem *Hey, Diddle Diddle* and read many books about names. We also learned sight words *I* and *can*. Additionally, we introduced our independent reading block, when we will practice reading by ourselves to become better readers. We learned that readers look at pictures and at words. We continued writing workshop, practicing thinking of a story from our lives and drawing a picture/writing words to tell about it. Our main focus is making a plan and adding even more details to make our stories better.

This Week in Math:

This week in math, we practiced counting and recognizing numbers 0-10. We are also practicing "subitizing," or quickly recognizing number quantities up to 5.
