This Week in ELA:

This week in reading, we practiced recognizing, writing, and hearing letters Kk and Ll. We also read and illustrated the poem *Hickory Dickory Dock*. We learned sight words *yes* and *no*, reviewing all of our previous words. We focused on identifying characters and setting in stories we read. In writing, we introduced a checklist for knowing when a piece is complete. We check for a picture that tells our story, details to make it better, words on the page, and we make sure we can read what we wrote. We had our first official "Author's Chair" time on Friday, with students sharing a story of their choice. The rest of our class will share on Monday. ☺

This Week in Math:

We continued solidifying our knowledge of numbers 0-10, sorting and counting objects, writing numbers to match quantities, and practiced creating patterns. We talked about the different ways to make patterns (AB, ABB, ABC, etc.) and explored math materials to create our own.

This Week in Science:

We conducted experiments to test our senses! In our class, we explored our sight and hearing. Check out our blog posts to read about our experiments!

Kipland Small 9/8
Alex Todd 9/23
Ola Shuler 9/24
Shalom Shuler 9/24

Important Dates:

- 10/5-10/9 Book Fair
- 10/8 NASA night
- 10/21 Half Day
- 10/22 Student Holiday
- 10/23 Student Holiday
- 10/30 Field Trip to Adventure- more information to follow!

Reminders:

- Please send your child in uniforms daily! ☺
- Please sign your child out no later than 2:15 if you are picking up early for any reason.
- Library Checkout Days: Frazier-Tues., McKenna-Wed.
- Upcoming Activity Classes: Frazier- PE, McKenna- Science Explorations
- See your teacher's blog for an updated class schedule soon. We have made some changes according to your student's needs. Additionally, at the end of the first quarter (10/23), we will no longer need towels sent in. We will use the end of the day for varying instructional purposes. THANK YOU!

Home Talk:

Use household objects to create different kinds of patterns. Try making repeating patterns and growing patterns using things like keys, Tupperware lids/containers, or spare change.

We are Bucket Fillers!

We fill buckets...no dipping!

Each week, teachers will pick a student who has done a great job being a "bucket filler," or a kind friend. This week, our bucket fillers are:

Lily Denk and Jakeem Brown-Ovard

Congratulations, Bucket Fillers!
