Forest Lake Elementary NASA Explorer School teachers and the instructional support staff (magnet program lead, technology learning coach, reading coach, and librarian) plan collaboratively to develop units of study that engage students in learning activities that emphasize digital and information literacy, the application of critical thinking skills, and problem solving strategies through the integration of 21st century learning and NASA resources. Teachers support and enrich their instruction through Distance Learning with NASA, school-wide NASA themed units of study, STEM-based problem and project-based learning activities, Civil Air Patrol curriculum, and the STARLab Portable Planetarium. Our NASA Explorer School is equipping the next generation of explorers!

Directions to sign-up for the Eagle Blog

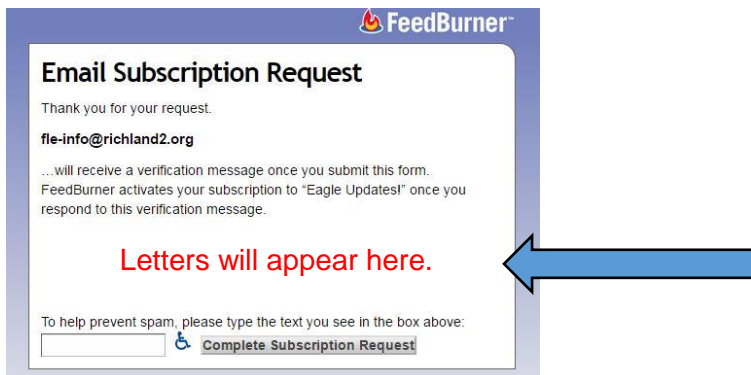

Go to <http://fleagles.blogspot.com/>

1. Put in your email address to subscribe to Eagle updates

The screenshot shows the top of the Forest Lake Elementary website. On the left, there are logos for NASA Explorer School and Forest Lake Elementary. In the center, there is a logo for the Elementary Learning Collaborative (ELC). On the right, there is a red rectangular area. Below the logos, there is contact information for NASA Explorer School and the website address www.richland2.org/fle. At the bottom left, it says "FRIDAY, MARCH 31, 2017" and "Kindness Contest Winners". On the bottom right, there is a "SUBSCRIBE TO EAGLE UPDATES" form with an "Email address..." input field and a "Submit" button. A blue arrow points to the "Submit" button.

2. Put in the code that comes up to prevent it from going into SPAM

The screenshot shows a FeedBurner "Email Subscription Request" form. It has a blue header with the FeedBurner logo. The main content area is white with a blue border. It says "Thank you for your request." and "fle-info@richland2.org". Below that, it says "...will receive a verification message once you submit this form. FeedBurner activates your subscription to 'Eagle Updates!' once you respond to this verification message." In the center, there is a red text box that says "Letters will appear here." A blue arrow points to this text box. At the bottom, there is a text input field and a "Complete Subscription Request" button.

3. You will receive an email and you must verify the request to start your subscription to the Forest Lake Eagle Blog

If you do not receive a verification email, please check your spam.
